With its three campuses and different teaching formats adapted to the needs of real estate and mortgage brokerage professionals, the Collège de l'immobilier has expertise that is unique in Québec.

The Collège provides training in both French and English, in the day or evening, in a variety of formats: in the classroom, by distance education, by correspondence (in French only) and in virtual classes (by Internet).

Thanks to its **team of teachers who are specialists or practitioners** in the residential real estate, commercial real estate or mortgage brokerage fields, and who are still active

in the real estate industry, students at the Collège de l'immobilier receive the **theory-based training** they need to become real estate professionals, coupled with **valuable information about what to expect once they begin working**.

For more information about our training programs, visit our website at <http://www.collegeimmobilier.com> or call 514-762-1862 or 1 888-762-1862.

The Collège also invites you to read its real estate blog: <http://blogue.collegeimmobilier.com>.

Founded in 1993 and holding a permit from the Ministère de l'Éducation, du Loisir et du Sport, the Collège de l'immobilier du Québec is the largest real estate college in Québec. Every year, it welcomes approximately 2,000 future real estate professionals and provides continuing education to thousands more. Recognized for its high standards of training and the exceptional expertise of its teaching personnel, the Collège is widely considered to be “the” school for the real estate industry and its leaders.
